Special activities for Slow and Advanced learners

Advanced learners are motivated to take part in various activities. They are provided with high order thinking questions to solve they are also guided to refer reference books of various subjects and professional course books. Slow learners are facilitated with additional study materials, remedial classes are taken to improve their performance. Advanced learners are encouraged to help slow learners in peer-to-peer teaching and learning.

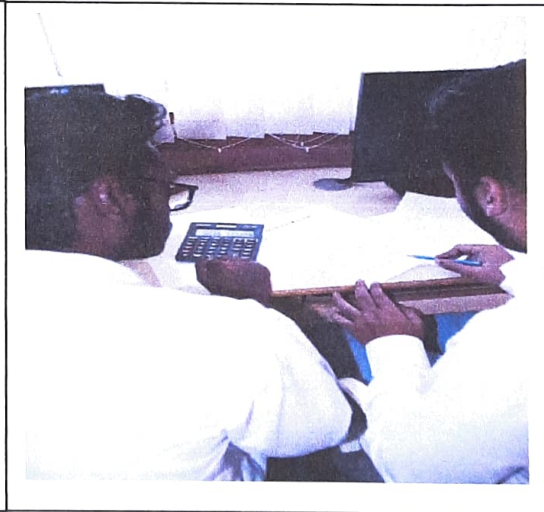

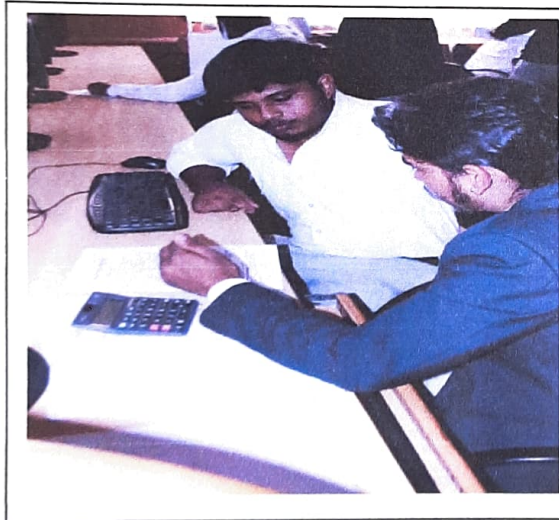

Advanced learners are recognised, appreciated in common assembly held every Saturday for participating in various activities

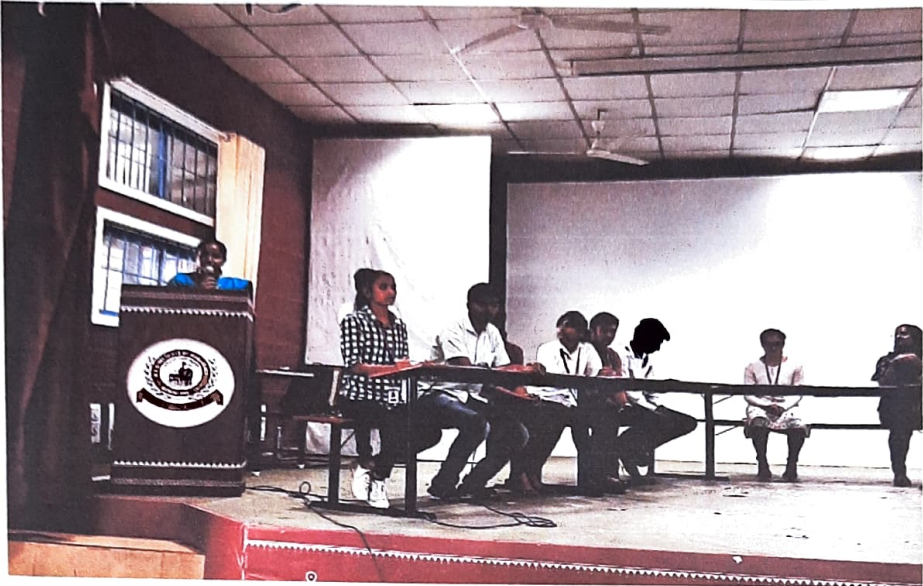

S

Advanced learners are oriented to utilize library resources

Advanced learners helping slow learners in learning process.

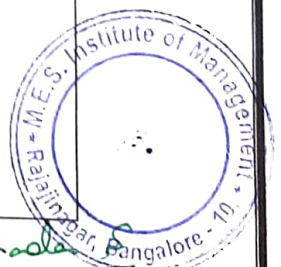

Students are motivated to participate in group discussions.

Advanced learners participating in committee meetings.

Students giving presentation on assigned topic

BRIDGE COURSE REPORT FOR ACADEMIC YEAR 2021-22

Bridge course in language English, Business Mathematics and Financial accounting is aimed at giving confidence to students to understand the fundamentals of accounts, use the language effectively at ease and know the basics of Mathematical calculation. The fresh entrants get to hone their skills in the above subjects.

The bridge course comprises introducing the students to various nuances of Accounts, Business mathematics and financial accounting. The purpose of Bridge course is making students to get acquaintance with new learning environment of under graduate program.

In English language vocabulary development is a very important aspect of learning any language. Students are instructed to write words from the English alphabet, Unknown words from dictionary are asked to read loud in the class. This helps students to understand the depth of their knowledge and also learn new words which will help them in better communication.

In Financial accounting basic meaning of accounting terminology are introduced to students so that students from non-accounting background can understand and which will help them to understand the subject better.

Bridge course in Business mathematics give concrete ideas of numbers, patterns of relationship between variables and help to gain critical thinking in solving business problems through topics like number system, matrices, determinants and theory of equations.

Totally around 150 students of B. Com and B.B.A course got benefit of the Bridge course.
