Respected Sir,

Sub: MOU with Stock Market Institute for Certification Program on "Capital Market"

addzup is association with SMI, one of the globally recognised Institutes, offers various Certification Programs. Our college intends to offer Capital Market Certification Program for second year B.com and B.B.A students for this semester. It is a 30 hours interactive session, contains introduction of Capital Market to Pit trading which is helpful for the students to understand the subject like "Stock and Commodity Market" and they can also take online exams of BSE certification course. The same program was conducted in the year 2016 and the feedback from students who attended the program was good. As per the feedback report, some students who were placed in Goldman Sacs and other premier companies were of the opinion that the program helped them to clear the technical round of interview. They also said that it covers portfolio construction which is useful for them while investing money in debt and equity market.

The course fees charged by SMI per student is Rs. 4,800 /=- (excluding GST) for other colleges but for our college they had charged Rs. 3600/=- (excluding GST). After negotiations with co-ordinators, they have agreed to charge Rs.2,500/- (inclusive of GST). This is the same amount of fees they had charged earlier in 2016 for 25 hours program in our college.

The total strength of 2nd year B.com and B.B.A is 185 students. Taking into account the chronic absentees, only 180 students have been taken into account and the fee of Rs. 2,500/=- per student has already been collected from them for a certification program.

Total cost of the program is $2,500 \times 180 = 4,50,000/-$

They divide 90 students each in two batches and the sessions will be conducted simultaneously for both the batches. We would like to start the program from 10th January, 2019.

Considering the above aspects, kindly give your consent to have an MOU with SMI for the Certification Program at the earliest.

Thanking you

Your's Faithfully

Sharada S
Principal

Based on feedback from students who attended the program conducted by Addzup, a content that will be covered and accepted to provide full course at discounted rate of Rs 2500/- as against Rs 4800/-, we may agree to the proposal.
