Dear ma'am,

Greetings from TNSIF!

I hope this email finds you well. Firstly, congratulations to the entire team, including the students, faculties, and management, for their outstanding performance and unwavering commitment.

I am writing to request a meeting to review the progress of our partnership with the Future Skills Program (FSP) and discuss our achievements thus far.

Over the past year, we have worked closely together on this program, and I believe it would be highly beneficial for us to meet and have a detailed discussion regarding our progress and future plans.

Please let me know as discussed, if you are available for a meeting on 16th June 2023 or July 1st week. Kindly confirm the date and provide your preferred time for the meeting.
