The Alumni reunion is scheduled for second Saturday of April every year which serves as a doorway to nostalgia and the sharing of mutual growth, achievements & advancement in various fields. The students of previous batches are instrumental in assisting both monetary and non-monetary support for the betterment of the Institution. On 23rd April 2022(Saturday) college conducted Alumni meet for the year 2021-2022. 42 students had participated in the Alumni meet.

Our Principal Dr.Sharada S welcomed all the alumni for responding to the invitation from the college & being present for the alumni meet in spite of their busy schedule. Then she told about the college being accredited with B++ this year and it was really a proud moment of MESIOM. Some of the alumni performed cultural activities & also they shared their experience at MESIOM.

The HOI also informed students that the college is working on alumni registration and the support of Alumni is very much essential in getting it registered.
