Report on One Day Traffic Awareness Program

June 30th 2022

One day traffic awareness program, with an initiative of spreading an awareness of **RED LIGHT ON, GADDI OFF** was conducted on 30th June 2022 Thursday. Students had attractive posters which were given to 4 teams consisting of 9 members each (36+3= 39). The location was at **Bashyam circle, Rajaji Nagar, Bengaluru**. Students carried out this awareness program with the help of Rajaji Nagar's Traffic Police Inspector and their team.

Fact: -

1. When a car is standing idle with its engine on, it consumes double the petrol/diesel. During red signal, the public wastes up to Rs. 5. It also decreases the mileage of the vehicles.
2. When the signal is more than 30-40 sec, this awareness can be implemented and save fuel as well as prevent pollution.

Team Details -

The Awareness program was conducted for 1 hour from 10:20am to 11:20 am and had 3 police personnel of Rajaji Nagar's Traffic Police Station to support this Awareness program. At Bashyam circle,

students had each signal for 70-80 seconds of red light which was helpful for them to interact with the public. Volunteers target was two, three and four wheeler and they also showed posters to the A/c cars but didn't approach due to reasons, some A/c cars voluntarily turned off their vehicle. This included government vehicles and busses. During the Awareness program students followed the covid protocols and interacted.

Achievements: - Students were able to educate more than 800 vehicles and people were so supportive that they voluntarily turned of their engine. Students were able to convince the Busses and mini trucks by explaining the advantages and disadvantages of it.

Report on Environment Day Program

June 6th 2022

Environment day was organised by NSS unit of our institution on June 6th 2022. The NSS volunteers with the faculty members and students participated in the program with full energy.

The aim behind organizing this program was to give awareness to people about keeping the environment clean and safe from pollution. For this purpose, plant more trees to purify the air and make the earth green. The program started at 8 am. The volunteers gave saplings to public and asked them to plant it. Even traffic police were given the plants by our students.

This was an amazing and interesting activity. All the students started planting and the teachers guided them in this regard. Some students cleaned surroundings of the campus.
