BRIDGE COURSE IN LANGUAGE ENGLISH

The bridge course in Language English is aimed at giving confidence to students to use the language effectively and at ease. The fresh entrants get to hone their language skills and also know each other better.

The bridge course comprises introducing oneself and vocabulary development through various activities. The purpose of introducing oneself is to understand how well the students can speak in a class full of strangers and also motivate them to take centre stage.

Vocabulary development is a very important aspect of learning any language. Students are instructed to write words from the English alphabet A-Z, words ending with - cy, -ty - , -s, - z, unknown words from dictionary etc and are asked to read aloud in the class. This helps them understand the depth of their knowledge and also learn new words which will help them in better communication.

Students are also encouraged to read a text aloud so that they can learn the nuances of reading and pronunciation.
