Date: 8/3/2020

PROGRAMME: Certificate course on Python

Dated: 19/2/2020- 6/3/2020

Duration of the course: 30hours

Trainer: Smt. Lakshmi

Resource Provider: NICT Computer Education

Beneficiary: VI SEM BBA (43)

Objectives:

- To acquire programming skills and object-oriented skills in Python
- To develop the skill of designing, graphical user interfaces and to develop the ability to write data-based applications in Python

Course Content: The course syllabus content included concept of Python, its functions, modules and packages, Python – Object Oriented Programming- OOPS, Python Exception Handling and Data based Interaction, Networking in Python.

Course delivery methodology: NICT used a licensed software and trained the students with online training methodologies by using computer system with real time case studies and industry assignments.

Assessment: Students were assessed through online assessment to evaluate and to certify.

Outcome of the course: This course has helped students to meet the specific needs required to design the system components using Python. As it is a modern tool to create and apply appropriate techniques in the organizations, it is going to be a lifelong learning in the context of technological change.
