

### Gender Sensitization Programme

The Institution is committed to promote gender equality as guaranteed by our Indian constitution. In this direction the college facilitates an enabling environment that is creative, productive and respectful to all, irrespective of gender identity. Equal importance is given to both men and women in all the activities of the college. This enables them to treat each other with respect, dignity and equality, not only in college, but also in their personal and professional lives. The college proposes to conduct programmes such as guest lecturers, play videos in common assembly on awareness of issues related to women regarding legal, safety, health and hygiene to benefit the girl's overall development.
