Report on ICT in Teaching and Learning

ICT helps to enhance the effective delivery of curriculum. The innovation that ICT has brought in teaching learning process includes e-learning, e-communication, quick access to information, reduced burden of keeping hardcopy, networking with resources person etc.

MESIOM gives importance to ICT enabled teaching – learning process has provided following infrastructure facility

- ICT enabled classroom with projectors, lap-tops and the campus is enabled with high speed wifi connection.

- Faculty use Power point presentation with animations.

- Softcopy of study material is shared with students.

- Faculties provide hands – on sessions to students on subjects like tally, e-filing of tax returns.

- College has thirty computers lab with high-speed internet connection.

- Faculty can use laptops provided by the college for preparation of notes and PPT's.

- College has installed desk-top in staff room, commerce-lab and library with internet connection which has been used for conducting on-line classes and e-learning.

- College library has facility for accessing e-resources like N-LIST, NDL and KPDL which can also be used by faculties for effective teaching.
