No. Aca II/CECS/2014

Date: 29.11/2014

To

1. The Deans of Faculties, Bangalore University,
2. The Chairpersons/Directors/Coordinators of Departments of Studies/Boards of Studies, Bangalore University,
3. The Principals of Colleges affiliated to Bangalore University

Madam/Sir,

Sub: UGC Guidelines on adoption of Choice Based Credit System.
Ref: Letter D.O No. F 1-1/2014 (Secy), dated 12th November, 2014
from the Secretary, UGC New Delhi

This is to inform that the UGC has embarked on numerous measures to enhance efficiency and excellence in the higher education system in the country. The reforms undertaken in this regard have led to noticeable improvement in the standards of education. However, because of the diversity in the evaluation system followed by different Universities in India, students have suffered acceptance of their credentials at times across the University system, as well as the employment agencies.

In order to mitigate this procedure, the UGC has formulated Guidelines on adoption of Choice-Based Credit System (CECS) by all the Universities. This would ensure seamless mobility of students across the higher education institutions in the country as well as abroad. The credits earned by the student may be transferred and would be of great value to the students in the event of their seeking migration from one institution to the other. You are requested to access the Guidelines from the UGC website www.ugc.ac.in

It may be kindly be noted that Bangalore University has already introduced Choice Based Credit System in the Undergraduate and Postgraduate Courses from the academic year 2014-15 and the draft Regulations in this regard have already been circulated to all the Principals. Necessary modifications to the draft Regulations will be made as per the present UGC Guidelines and will be sent to the State Government for approval and the same will be circulated to all the concerned.

Yours faithfully,

REGISTRAR 29th 11/14
