Office Note

Sub: Implementation of Rain Water Harvesting System in Vidyavihara
Complex, Rajajinagr, Bangalore - 10

According to the BWSSB notice No.BWSSB/AEEW-2/AE/2605/11-12 dated 08.12.2011 Rainwater Harvesting System is to be installed in the Vidyavihara Complex immediately. As per the press note last date for implementation was 31.03.2012.

As far as the other three complexes of MES is concerned, this work was got executed long back and functioning well. Now, the Director Administration, Vidyavihara Complex, Rajajinagr has sent a proposal to execute the same, in consultation with the consulting Engineer. Three quotations were invited. According to the recommendations of the consulting Engineer the work could be awarded to M/s. Makara Waterwell Engineers Pvt. Ltd at the earliest. All relevant documents pertaining to this have been enclosed along with the letter of Director Administration and also the recommendation of Consulting Engineer is enclosed for your kind perusal. If approved, the work order will be issued to M/s. Makara Waterwell Engineers Pvt. Ltd, and the cost of Rs. 2,19,470/- to be borne by the MES (R)

Respectfully submitted to the
Vice President, MES (R)
