GREEN POLICY AND ENVIRONMENT POLICY

MESIOM is committed to being environmentally aware and conscious and hence actively support programs that reduce the institution's environmental impact and continuously improve our environmental performance as an integral part of our vision and day to day operating procedures. We seek to understand the effects of our activities on the environment; therefore we consciously support activities such as:

1. Water & Energy Conservation.
2. Recycling of waste.
3. Reduce the usage of paper.
4. Effective Waste segregation.
5. Rain Water Harvesting.
6. Display of sign boards for saving resources in prominent places in the college.
7. Ban on Use of plastic in college.
8. Encourage students to use bicycles and electric vehicles.

We recognise that we have a responsibility to the environment to meet or exceed legislative and regulatory requirements. We will ensure that this policy is understood, implemented and maintained by all the stakeholders.
