

7.1.6 Beyond the campus environmental promotion

On account of Environment Day, 5 th June 2022, our college students in association with Social Spotlight Club conducted a plantation drive at Chunchugatte lake, JP Nagar.

On 6 th June 2022, our college students created awareness for the general public by distributing ayurvedic plants and educating about its importance and usage. 60 plants were distributed to the public. The ayurvedic plants were also distributed to the parents who came for admission of their wards and the alumnis.

Traffic Awareness program

“Traffic Awareness program”, was organized in collaboration with central Government’s “Road safety week” initiative, on 11th January, 2023. Around 58 students actively took part in this event, starting from 9am to 11am. They were divided into two groups where one group were sent to **Navrang Theatre Junction**, and the other to **Malleshwaram circle**. The event was successful in spreading the importance of following the traffic rules and consequences on violation.
