Hi Ma'am

Further to our discussion, we are pleased to inform you that your college will be receiving **25 computers**, sponsored by Capgemini, to set up a lab for students. Your institution will be recognized as one of the **"CAPGEMINI DIGITAL LABS"** in Bangalore, in collaboration with TNSIF.

Please adhere to the following guidelines:

1. If there is a future need to support students from other colleges, we request that you extend the lab facilities for their training.
2. The computers are strictly for educational purposes and cannot be used for commercial activities such as renting.
3. The computers must not be sold or disposed of without notifying TNS.
4. Capgemini will conduct annual audits for a minimum of three years.
5. Neither TNS nor Capgemini will provide warranty or servicing. However, based on past donations exceeding 1000 desktops across India, we have not encountered significant defects or complaints.
6. We request that you brand the lab with the college name, TNS, and Capgemini as per TNS guidelines.

The computers have been dispatched from Mumbai and are expected to arrive at your college anytime this week. Kindly make the following arrangements:

1. The delivery personnel cannot wait upon arrival. Please ensure someone is available to receive the call and assist them promptly.
2. A designated room or safe space for storing the computers.
3. **25 computers** have been packed into **6 boxes**. Kindly unpack and verify the count.

Attached is the invoice for the computers. Please make an NEFT payment of **₹16,000/-** at the earliest to the following account:

- **Bank Name:** HDFC
- **Account Number:** 50100526453182
- **Account Holder Name:** Sanjay
- **IFSC:** HDFC0003209

Alternatively, payments can be made via GPay or PhonePe to the number 9306195892.

Please feel free to reach out if you need any clarification or support.
