CONCLUSION

The First Annual General Meet of the Alumni Association of MESIOM was successfully conducted with active participation from alumni, dignitaries, faculty members and student volunteers. The meeting served as a meaningful platform to strengthen the bond between the institution and its past students, exchange ideas, review progress, and discuss future initiatives. Valuable suggestions and decisions were taken towards enhancing alumni engagement, institutional development and collaborative activities. The overwhelming response and participation reflected the strong connection alumni hold with MESIOM. Overall, the AGM concluded on a positive and constructive note, marking the beginning of many more impactful initiatives in the coming years
